Notice of Standard Workday and Fringe Benefits

Interstate Reinforcing's standard workday is from 7:00 am - 3:30 pm Monday through Friday with occasional weekends. However, the hours may vary per project depending on the General Contractor's request/requirements.

Public projects will be paid the prevailing wage rate for the appropriate trade per county. Fringe benefits will be used to provide retirement and health coverage per each individual's needs. Please refer to the NYS DOL Prevailing Wage Schedule at:
